Sl. No.	Queries raised by bidders	Clarification/Response of HRBC
1	Annual upfront payment for the 1st year along with Tax Collection at Source (TCS) shall be made. - We request you to modify this to weekly installments instead of Annual upfront payment, which is normally considered in NHAI.	No modification of the existing bid condition regarding this is made.
2	The bidder shall have experience of handling any single Toll Bridge/Toll Road at a single location in India having capacity to handle minimum 25,000 (twenty five thousand) vehicles per day for a period of minimum one year, any time during the last 10 (ten) years. - We request you to consider "Vehicle" same as "Passenger Car Unit".	No modification of the existing bid condition regarding this is made.
3	The work on Santragachhi Bridge is going to start very soon, a few days ago a meeting was held between Kolkata Traffic Police and Howrah Traffic Police in Nabanna from which we have received information that when the work on Santragachhi Bridge starts, the traffic going to Kolkata will be diverted through Nivedita Setu (Bali Bridge), it is necessary to add a clause in the agreement regarding this important work.	This issue has been taken care of vide Sl. No.7 of Corrigendum No. 1. No further modification is made.
4	When a company applies for a claim under force majeure, relief is given by HRBC only on the basis of daily collection, but other expenses of the company (like staff salary, electricity expenses, diesel expenses, and other expenses) are not mentioned. Please add a clause for this also in the agreement.	No modification to the existing provision regarding this in the bid document is made.

The Corrigendum-2 as above is issued in terms of Section A: Clause 8 & 17 and will be a part of the Bid Document.
